

ENTOMOLOGY EXPERIENCE

Private Behind-the-Scenes Lab Tours

Have you ever wondered what goes on behind the glass in the Entomology Lab? Register today to have your own Entomology Experience in the Lab. Spend time exploring and learning about all things invertebrate with one of our entomologists. From beetles to scorpions, the Reiman Gardens Entomology Lab is home to more than 30 species of invertebrates, beyond our wide diversity of butterflies and moths. This is your opportunity to get up-close and personal with some of the world's most amazing creatures. Call Anita today and register for your Entomology Experience!
