The Reiman Gardens Tailgate Package includes access to the Garden Room (AV), Main Events Hallway, Auditorium (AV), Rust Events Plaza, South Patio & South Lawn, with customized layouts designed for your event. Includes admission for 500 guests.

The tailgate package includes 6 hours on-site, and all activities must occur within this timeframe. Access to your rental space(s) may begin 5 hours before kickoff. Your event must promptly conclude 30 minutes before kickoff, and the rental space(s) must be vacated 1 hour after kickoff, including any vehicles parked in the loading dock. Discounted rates for members, students, ISU departments and non-profits are not applicable to the rental package.

The package includes 8 parking spaces in the Reiman Gardens loading dock for vendors and key event staff, along with use of facility bathrooms. Liability insurance is required for all tailgates, and Reiman Gardens will coordinate security for tailgates serving alcohol. Approved caterers are required for meal and bar service (cost not included in rental price). ISU Catering is the only vendor approved to provide and serve alcohol at Reiman Gardens.

Parking is not available for guests. Standard event parking regulations will be enforced in all areas around Jack Trice Stadium. Please visit [this website](#) for more information about game day parking. Football game tickets are not included with your rental. Please note that indoor seating for all guests cannot be guaranteed in the event of inclement weather, depending on the size of your group.

A \$500.00 refundable deposit is due with contract signing, and the tailgate package is due 1 month before the event. Custom room layouts must be confirmed 2 weeks before the event, and a final headcount must be provided 1 week before the event. If your final headcount exceeds the allotted amount, an additional charge of \$6.00 per person will be added to the final invoice.
